Dear Mr. Craig,

This is to acknowledge receipt of your Letter of Protest/Comments to the Public Service Commission of South Carolina. Your Letter of Protest/Comments has been placed in the Protest File of the Dockets listed below and on the Commission's Website at www.psc.sc.gov.

Docket No. 2016-223-E - Petition of South Carolina Electric & Gas Company for Updates and Revisions to Schedules Related to the Construction of a Nuclear Base Load Generation Facility at Jenkinsville, South Carolina.

Docket No. 2008-196-E - Combined Application of South Carolina Electric & Gas Company for a Certificate of Environmental Compatibility and Public Convenience and Necessity and for a Base Load Review Order for the Construction and Operation of a Nuclear Facility in Jenkinsville, South Carolina

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

With this email, I am also forwarding your email to the Office of Regulatory Staff for response to your concerns.

If we may be of further assistance to you, please do not hesitate to contact us.

Sincerely,

Deborah Easterling

Greetings,

I am writing to inquire if SCE&G will be allowed to continued to overcharge it's customers for the now not to be completed nuclear plants in Fairfield. To date, SCE&G has been graciously granted 9 rate increases to line somebodies pockets under the guise that at some point, our rates would be less due to overproduction of said nuclear energy. I am ready for about 6 of these rate increases to be rolled back, or I would like an accounting of all expenditures to be made public. It is unfortunate that people who can ill afford these exorbitant rates to be left floundering under them when nothing is going to be built.

Thanks

Bill Craid
